

Pickleball

Tuesday, April 23rd

The Pickleball event will be held at Speedway Village (Basketball and Volleyball facility) at 315 Speedway Circle. Please enter through the West doors. To help protect the floors, please bring a pair of shoes that is free of rocks to change into for the games. We will have paddles and balls available on each court for those who don't have equipment.

There will be pools within each Division to create a round robin format. The top 4 teams from pool play will then play a tournament to decide the top 4 places.

There will be a volunteer provided on each court to assist with score and rules clarification. There will be a quick tutorial during warm-up for anyone that hasn't played.

Division 2* will begin play at 5:30pm. Warm-up and check-in will begin at 5pm. Pool and court assignments will be provided upon arrival.
